

Perform — Czech

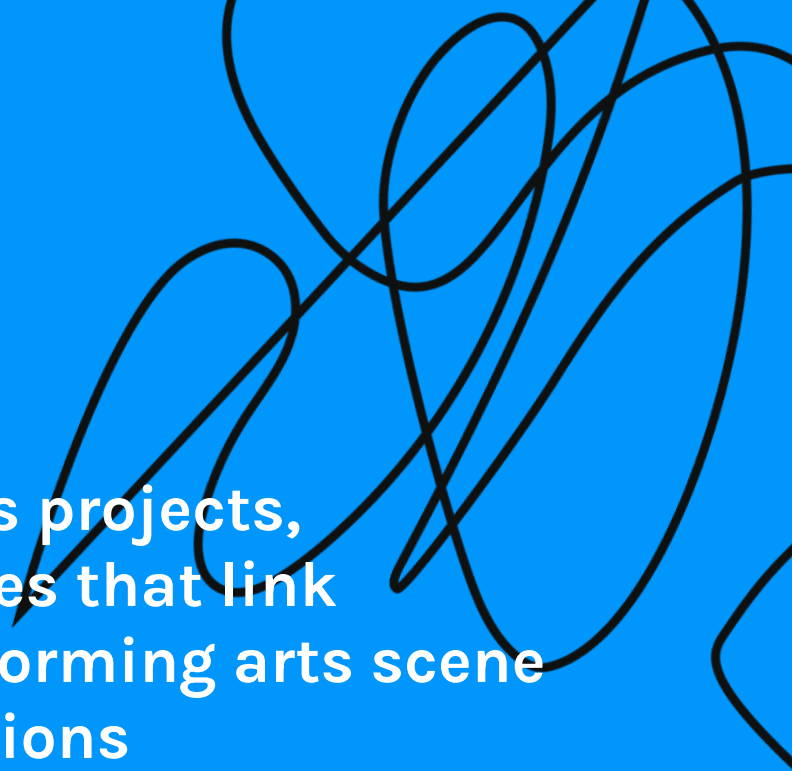

Shortening the Distance between Czech and Foreign Performing Arts

www.performczech.cz

www.idu.cz

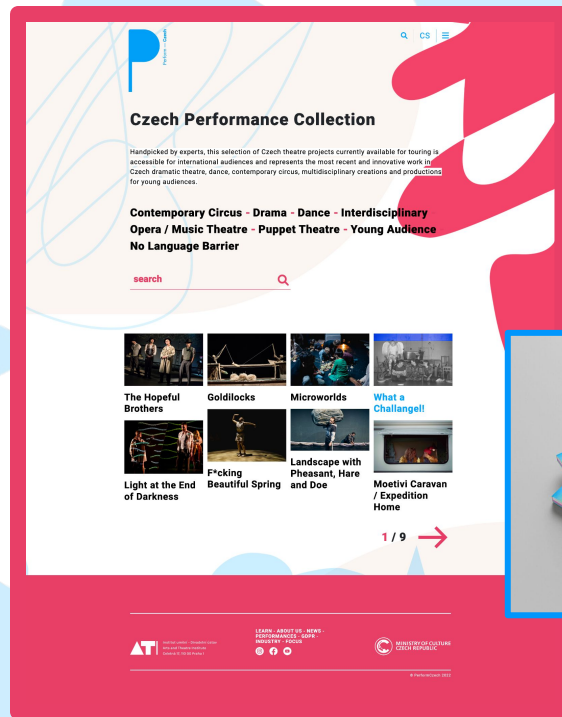

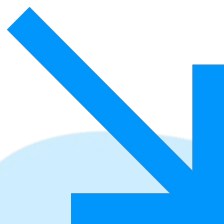

PerformCzech initiates projects,
platforms and activities that link
the current Czech performing arts scene
with artists, organizations
and networks abroad.

PerformCzech

is an information portal in English for performing arts professionals that provides information about the current Czech performing arts scene and mediates information, contacts and propositions for international collaboration.

SHOWOFF

PerformCzech

initiates projects, platforms and activities that link the current Czech performing arts scene with artists, organizations, networks and organizations abroad.

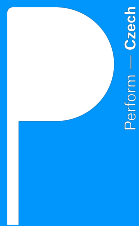

PerformCzech

supports the professional growth and internationalization of the contemporary Czech performing arts scene.

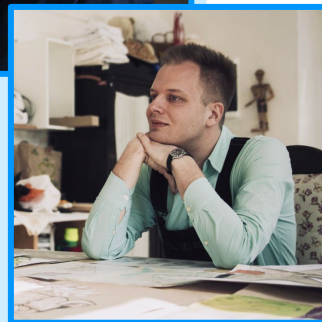

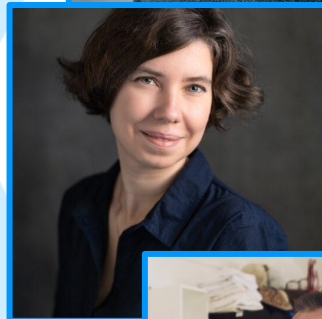

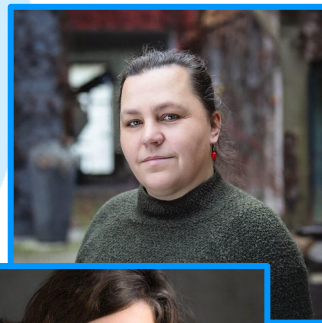

PerformCzech

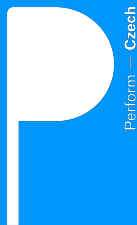

activities are coordinated by the International Cooperation Department of the Arts and Theatre Institute. ATI is a state-funded organization founded by the Ministry of Culture of the Czech Republic.

PerformCzech's advisory body is Dramaturgical Board consisting of the professionals with diverse expertise or artistic specialization, whose main aim is to promote and present contemporary Czech performing arts internationally.

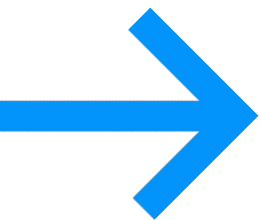

Our activities

PerformCzech LINKS OUT:
presentation of productions
and artists from the Czech
Republic at international
performing arts markets
and festivals

PerformCzech LINKS:
support and organization of
events in the Czech Republic
and abroad that present
contemporary Czech
performing arts for foreign
professionals

PerformCzech PROVISITS:
curated missions for groups of
theatre and dance professionals
from the Czech Republic aimed
at establishing contacts and
cooperation in a given territory

PerformCzech CONNECTS:
projects to support the joint
creation of Czech and foreign
artists (e.g. also through
participation in projects
supported by European
programmes)

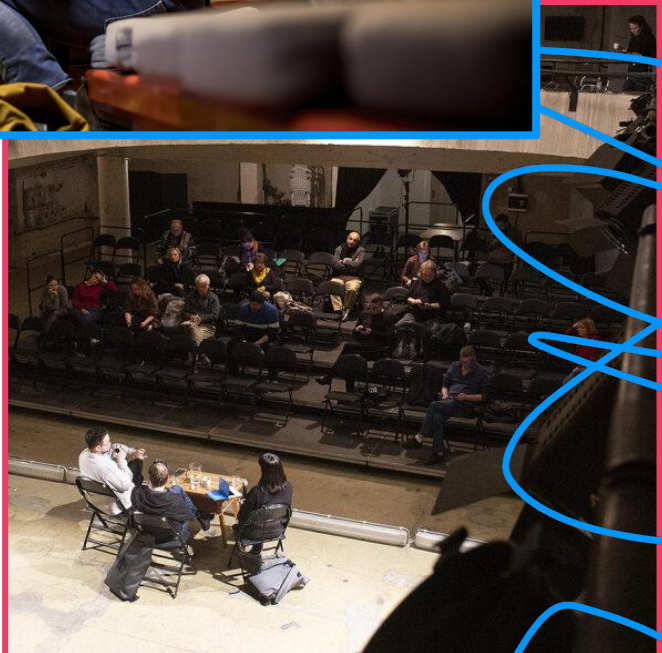

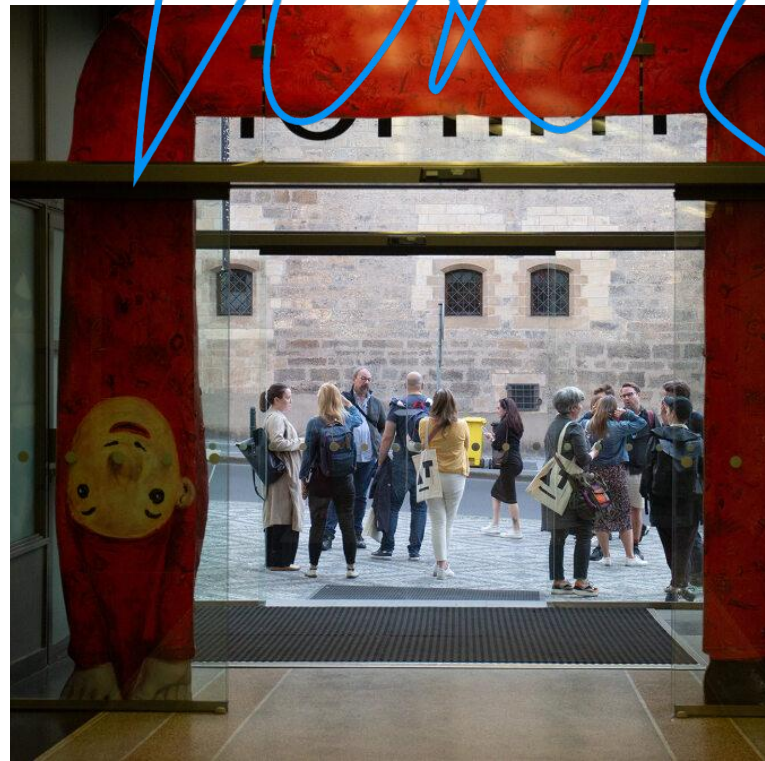

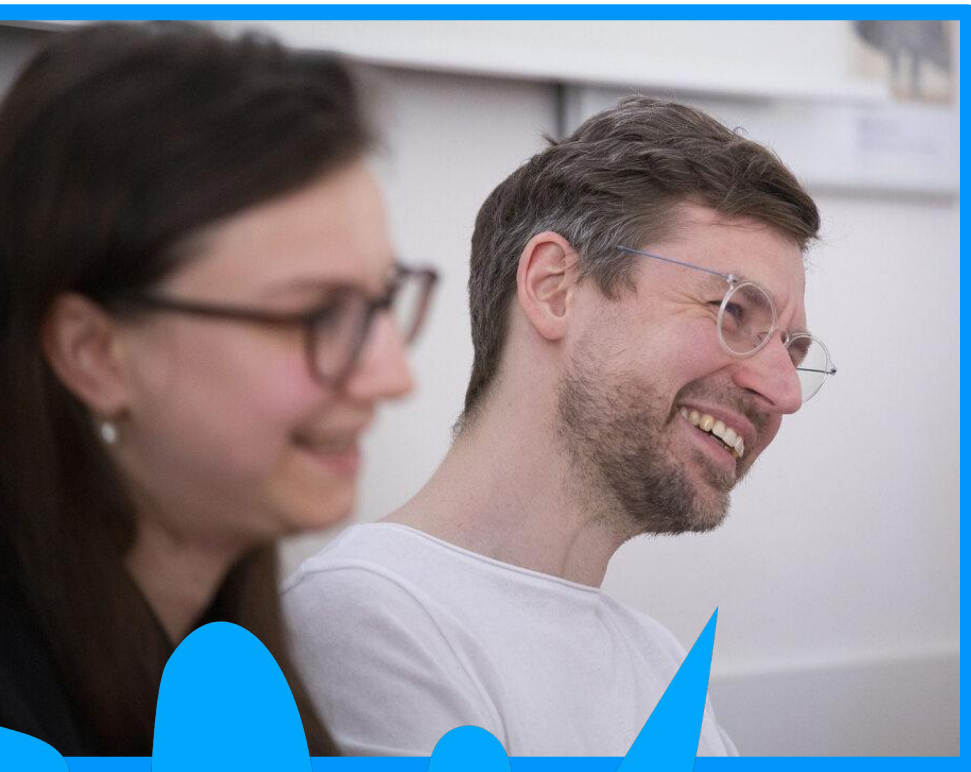

PerformCzech SKILLS:
educational projects aimed
at developing skills in
self-presentation, digital
marketing and promotion

PerformCzech PROMO:
promotional materials
designed for the inter-
nationalisation of Czech
performing arts

PerformCzech is a homebase
of Czech centres of international
AICT, ASSITEJ, ITI, OISTAT, UNIMA
and membership in professional
networks (IETM, PACE.V4)

PerformCzech conducts research
activities (especially research
on theatre after 1989 and theatre
audiences within the framework
of the European Theatre Night)
